October 6, 2018

Located in Hudson, Quebec, Westwood High School Concert Bands have some of the most talented and dedicated students within the school system. Every year, these students compete in Music Competitions locally and throughout the country, with the objectives of growing both musically and personally. The approximately 150 music students dedicate both school time and after school time to achieve the highest degree of excellence possible. Past awards and accolades are a testament to their talents and dedication.

This year, the band is seeking sponsorship to support the music program, and enable them to attend competitions, including one that will be held on an International level in Anaheim, California. By sponsoring these young musicians today, you encourage them to continue reaching for their goals of tomorrow.

The amount a sponsor may contribute is up to your generosity. In appreciation for your sponsorship, we will reserve a place for your company's LOGO in our concert programs for both campuses and also provide reserved seating for you at any one of our Junior or Senior bands' concerts throughout the school year.

Please give generously at Pearson Educational Foundation
