Newsletter : June, 2014

\$85,000.00 ! That's how much new money Pearson Educational Foundation put *directly* into classrooms in the fiscal year just ending, July 1, 2013 to June 30, 2014.

- \$35,000 for technology equipment: robotics kits, iPads, 3D printer, cameras
- \$18,300 for summer camps for students with particular needs
- \$12,500 for sports and exercise equipment, art supplies, music equipment, and supplies for literacy projects
- \$8,600 towards snowsuits and boots for kids who didn't have any
- \$7,000 towards feeding needy students and ingredients for cooking programs

And that's not counting the many scholarships and bursaries, in-kind donations, and support for the fundraising efforts of the individual schools and groups.

All increasing to student success. All beyond the scope of MELS funding. None of it a luxury.

PEF is one of the many essential elements in the stellar graduation and retention results we have come to see as the norm for the LBPSB, and will become even more vital in the years to come as the governmental budget compressions increase.

5 major Fund Raisers in this fiscal year and unparalleled support from our corporate and community partners, directors, principals, teachers, consultants, support staff, parent structures and families.

THANK YOU

Plans are already underway for four of them and we know the new CPC will come up with something awesome again: they always do!

- Reserve your place at the 2014 Golf Classic right **now**
- Plan a lovely holiday season night out at the 2014 multi-media explosion Christmas Carol
- Score with MLS Impact 2015 as your first hint that winter is ending
- And get those running shoes on for Fun Run 2015 on Sunday, May 3rd.
