PEARSON EDUCATIONAL FOUNDATION

1925 Brookdale Avenue, Dorval, QC H9P 2Y7 514.422.3000 Local 2212

Newsletter: November, 2014

The foundation is in action 150% these days: outfitting many many elementary students with snowsuits, boots, hats and gloves for a winter which has definitely arrived, as well as managing two big fund raisers to pay for those snowsuits, boots, hats and gloves. There is a huge need at the high school level as well and with your help, we can start to supply winter jackets for the young adults too.

Come with your whole family to Lakeside Academy this Saturday, November 29 for the Second Annual LBP Christmas Carol.

Last year's event blew everyone away and the 2014 merge of professional, adult and student musicians and actors is even better!

The show is dynamite for anybody over age 10. And treat yourself with home-baked goods and crafts by our students to buy at intermission.

Join us for our second annual multimedia production of Dickens' classic holiday tale featuring award winning musical guests. Performed for you by our own Pearson administrators, teachers and students. Proceeds from the evening will benefit the Pearson Educational Foundation's Rona Cupak Fund that provides warm clothes for students in our own community.
