What a wonderful show. Director Ashley Foot nailed *An LBPSB Christmas Carol*

Saturday, November 29 at Lakeside! Board directors and administrators outdid themselves with a perfect blend of comedic and dramatic acting channelling Dickens' characters. Student and professional singers and musicians reached into their souls for that tiny extra spark to the true meaning of the season.

The home baked goodies flew off the table at intermission. Please visit the PEF website to see the program, with the complete list of performers and volunteers. We thank you all from our hearts.

PEF has used every opportunity to sell the all-natural completely hypo-allergenic facial product packs donated by Canus Canada to refill the Rona Cupak Fund for winter wear for the many LBPSB students who lack these basics.

On December 6, Greendale Elementary School invited PEF to set up a table at their Christmas Fair. Seen at Greendale are President Barbara Freeston and indefatigable Administrative Assistant Susan Grand with the packs and samples of gear soon to be received by happy students.

Does your organization or church make and distribute Christmas gift baskets?

Give twice with one donation:
Buy a pack and dress an LBP kid!
Put the pack in the basket and treat a Mom who always thinks of her kids first!
\$20 each : Buy 5 and get one free.

**Peace and Joy and Love this Holiday Season and throughout 2015 to everyone.
Thank you for your support.**

Barbara Freeston, President
