Newsletter: February, 2016

PEF received a delightful folder from a couple of the classes in Verdun Elementary, a school which received quite a lot of snowsuits and boots from us this fall. We know what else happened the day these were drawn! All the pictures had either snowflakes or kids making snowmen, or both, and
....GREAT BIG SMILES!

That's the part that means the most ! .

We were able to fill all the requests last fall, including several from high schools. And all the principals know to just let Sue know if a need was missed; she will get the kit out the next day. Thank you Verdun for taking the time.
