Newsletter December, 2017

PEF has been busy filling snow suit, boot, hat and mitts requests. Although the really deep freeze hasn't arrived yet, already about 70 sets have been distributed to 7 requesting schools.

The Rona Cupak Winter Wear Program, now in its 11th year, continues right up to spring.

Principals and staff : please keep an eye out for students who need warm clothing throughout the winter.

A deep thank you to the manufacturers and importers who support our students by offering PEF wholesale prices, and less!

Thank You Ested Industries !

Ested has supplied us with high quality snowsuits at low cost for five years. Mr. Binet, the owner, has a big heart for the kids and his staff always overwhelmingly friendly and helpful.

Thank You Kamik Canada !

Kamik has been making winter boots for Canadian winters right here in Quebec for 119 years, and for the last 3 has supplied PEF with their super quality product.

Thank You Gusti International !

Gusti is our newest best friend. Starting just this fall, we have begun to buy amazingly warm, water-proof mitts and gloves and colourful, lined knitted hats.

We are indebted to these fine corporate citizens, for taking us under their wing.

It's a joy and an honour to have the opportunity to give snowsuits and boots to our needy students. Should you wish to make a tax deductible donation to support this program, please contact Sue in the PEF office.

Wishing you Happy Holidays from PEF!
