### **Happiness Happenings:**

Money has been collected in PEF this month from generous community members to help Riverview Elementary replace some materials for classrooms and the resource department, that were lost in the recent flooding of the school. Thank you to all the people who pitched in and also spread the word. Special thanks go to Margaret Manson School for designating the funds raised in their School Carnival for Riverview.

PEF helped cover the registration costs for Macdonald High School to attend CRC Robotics Competition held at Centennial High School. They competed against dozens of schools and colleges, finishing fourth overall in all categories, third place in website, video and kiosk, and the robot made it to the semifinals in the game. BRAVO MAC!!

PEF was also happy to step in and cover the registration costs for Riverdale High to attend the Junior Robotics competition at Vanier in April, and for Lakeside, Mac, PCHS, & LCCHS to attend the 2019 Regional Montreal Science & Technology Fair.
