Newsletter April 2019

On behalf of the PEF Board of Directors -

Thank you, the audience, comedians and sponsors, for joining us for our 5th big Comedy Show. Almost \$6,000 was raised to support our work for LBPSB schools.

Pictured here: Producers Kate Kuhar & Reese Turner, our amazing headliner Mike Paterson, and Dion Owen the host of the show. Not shown in this picture: Rachelle Elie, Oren Shbiro, and Rodney Ramsey! What a great show!!

REMARKABLE STUDENT ACCOMPLISHMENTS!

Once again our students show us how talented and ingenious they are. Pasha Jones and Adrianna Vutrano, of Macdonald High School, your creation of a prototype for affordable, light-weight, portable shelter astounds us!

PEF has the honour of supporting the journey for Pasha and Adrianna through their Local, & Regional competition and on to the Canada Wide Science Fair in May. Go girls!

We are proud to support all LBPSB schools wishing to attend local Science and Technology Competitions, and appreciate the dedication involved from students and teachers to advance to higher levels. We are always open to requests from schools needing financial support for registration fees for advanced levels of competition in all disciplines.

The heart of the PEF mandate is to provide the necessities for student success and whilst our efforts to raise funding for these and other programs are not typically government sponsored, we never stop working to find funds from all sources, including private donations.

Please contact Sue at the PEF office for easy, cost-effective, tax deductible ways you can support your own school, and others board-wide.

Thank you to all the people who support our students by stepping in with financial or time donations, and great ideas for educational advancement.
