Newsletter November 2019

Grants to Schools and Classrooms

On the reading of this newsletter the Foundation's Grants program is up and running strong. With requests ranging from laptops to technical libraries. Our Board is hard at work collating the requests and securing funding, with hopes that early in 2020 we will be able to pass on good news to the schools.

Thank you to all the schools who applied, and for giving us such an innovative look at what is in the future for our schools.

Snowsuit Appeal

The Rona Cupak Fund has been an invaluable source for several years now to provide brand new winter wear for our students in the LBPSB who find themselves in need. This year has found the fund exhausted but, the demand for suits & boots steadily increasing.

A successful media appeal to the wider community bought donations both financial and tangible in the form of brand new clothing, and the Foundation has been able to fulfill most of the requests. The appeal is ongoing.

We are busy looking at ways to invigorate the year round funding, so that next year no student need worry about going cold.
