Newsletter : March, 2014

While it is hard to believe when we look out the window today, it IS spring. And PEF has two great ways to celebrate the end of our long hard winter.

The deadline for purchasing tickets on the PEF website for the Impact match against Chicago Fire at 40% off has been extended to April 8. Join 1200 LBPSB staff, students and families on April 12 for an amazing afternoon at the Olympic Stadium

Tickets that have already purchased will be received at the schools on April 3rd and 4th and sent home with the students.

is now registering participants for the Family Run Fun in support of the Pearson Educational Foundation on Sunday, May 4, 2014 from 9:00-10:30 at Centennial Park in Dollard-des-Ormeaux.

This is a great way to Kick-off LBP's involvement in MELS Health and Fitness Week. For just \$5.00 registration The Running Room, you can choose to enter the 2K or the 5K run, or walk. Skipping, hopping, and gamboling are also permitted ! Bring LOTS of family members (young and old) - because the \$2.50 transaction fee is only charged once!

Young children must be accompanied by parents because of the water feature in this beautiful park. Bring the kids to participate in a REAL race, with bibs and fanfare, just like a Grown-Up Marathon!!

Register at

<http://www.events.runningroom.com/site/?raceId=10602>

or link straight from the PEF website.

The winning entry in the board-wide Fun Run Logo contest will be revealed on Friday April 4.

Watch for it !

Respectfully yours

Barbara Freeston, President
