Newsletter September 2019

The 2019 – 2020 school year is already in full swing and we are working hard here at the Foundation. The PEF Board of Directors will soon enter our new fiscal year and the Grants to Schools and Classrooms program is about to launch. All forms will be released before October 1st, with information on how to apply and the timelines involved being communicated to Staff and Teachers via all available avenues.

With our PEF AGM on September 26th, we are looking towards the upcoming year and the many fundraising opportunities it can bring. There is always work to do for our students and we value the opportunity to do it.

Happy new school year everyone.
