I Wanna Hold Your Hand 🎵

The Pearson Educational Foundation is in the “business” of supporting excellent education in the LBPSB schools, and we have great respect for people and groups with that same objective. Thank you to everyone who opened their hearts to help with our latest fundraiser, for food and clothing needs for less fortunate students among us. By the time you read this, our “A Little Help” show at John Rennie High School on Oct 25, will have raised enough to give a little help to those in need. It's not too late to follow your instinct to share. Make that donation to the “little help” campaign. Make a difference for others. *All you need is love* 🎸 🎵 😊 <http://pef.lbpsb.qc.ca>

Macdonald High School Alumni Association

PEF provides so much for so many great programs; but also enjoys giving credit where credit is due.

PEF salutes the *Macdonald High School Alumni Association* for their generous contributions over many years in support of all things Mac High. The high cost of Robotics science programs is no surprise to those who pursue the study. The *MHSAA* will cover complete costs for the Mac High Robotics Team to participate, and, we hope, win again, in the CRC competition in February 2020.

The *MHSAA* has really made a difference in the students' daily lives at Macdonald High: sharing costs for art display installations, Remembrance Day ceremonies, flags, equipment, scholarships, and entrance fees for last year's Regional and Canada Wide Science Fair participants, and now this year's robotics competitors. We owe a great deal to our partners at *MHSAA*. We wish them well as they step into the next phase of their journey. **Many, many thanks to the MHSAA.** ❤️
